<https://www.youtube.com/watch?v=Gu7sLTVzQXE> Quite a fun game, with some frustration thrown in. I've played around half an hour of this game so far and am about to fire it up again. Since it's early access you have to understand there are some issues, such as the draw distance of the mines. Whether this was a choice to make the game harder, I'm not sure but given how quick the character moves it causes me a little more frustration. Character movement is my one main criticism of this game and well worth a look at by the devs. Everything moves so fast but you have to be careful and move so slowly. Recommended and will be

checking this game out more as it's updated. For more impressions and gameplay check out the link above.. This is a great game! Really easy to get into and fun to play. If your a fan of Banjo Kazooie or Mario you'll love this game.. It would make my day if you watched my review! <https://www.youtube.com/channel/UCx8z8z5658BSXdcC3QHgHxA>
